

# ATTENTION

## EFFECTIVE IMMEDIATELY

Durham Waste has advised that our waste bins are not to be used for discarding bulky goods. This includes renovation tear out, wood, dry wall, furniture, toilets, sinks, tubs, appliances, mattresses and other large household items. These items require a scheduled pick-up by appointment only.

Please contact the Building Management Office or the on duty Superintendents to arrange a scheduled appointment for pick up of your items.

**KNOW  
BEFORE YOU  
THROW.**
