FIRE ALARM TESTING

Sage Electric will be on site
to perform DCC 19 Monthly Fire Alarm Test on:

Wednesday, April 12th 2017
Between 9:00AM – 5:00PM

As part of the test the building alarms will ring intermittently.

We regret the inconvenience however, it is required under the Fire Code to ensure your continued safety.

It is the responsibility of residents to be alert and respond appropriately in the event of actual fire emergencies.

If you have any questions please direct them to the management office (905)-839-1246.

Thank you.
