

FIRE ALARM TESTING

Sage Electric will be on site
to perform their Monthly Fire Alarm Test on:

Wednesday, June 14, 2017
Between 9:00AM – 5:00PM

As part of the test the building alarms will ring intermittently.

We regret the inconvenience however, it is required under the Fire
Code to ensure your continued safety.

It is the responsibility of residents to be alert and respond
appropriately in the event of actual fire emergencies.

If you have any questions please direct them to the management
office (905)-839-1246.

Thank you.
