

NOTICE FOR ALL RESIDENTS AT THE BAYSHORE

D.C.C.#19 Board of Directors have worked tirelessly to capitalize on finding sources of savings and rebates to efficiently utilize funds.

They are pleased to announce the undertaking of a **Lighting Retrofit Project** that will commence shortly.

All existing lights in all common areas will be replaced by LED lights. The contractor Luminex will begin replacement in less intrusive areas such as Mechanical Rooms and Common Rooms.

They will then move to the underground garage after coordinating the best suitable times with the Garage Project Manager.

Once these areas have been completed, and to keep residents informed, notices will be posted indicating the corridors that they will be working on.

If you have any questions or concerns, please contact the Management office @ 905-839-1246.

Shelley Hutchinson,
Registered Condominium Manager
Agent for and on behalf of DCC#19
