

NOTICE FOR BAYSHORE RESIDENTS

PARKING REMINDER

We would like to remind residents who have Parking Passes to clearly display them on their dashboards to avoid receiving tickets.

Security has reported several vehicles who continue to be tagged for not properly displaying their passes.

Retraction of tickets will not be honoured.

Residents are asked not to park in the 9 parking spaces along the East Wall in Visitors These spaces belong to the neighbouring property.

Those parked at the Church must remove their vehicles EVERY Sunday morning prior to 8:00am. Please be respectful –since the Church has been gracious to allow our residence to use their property during construction.

Shelley Hutchinson,

Registered Condominium Manager
Agent for and on behalf of DCC#19
