

NOTICE FOR BAYSHORE RESIDENTS

NOTICE TO ALL RESIDENTS **FEEDING PIGEONS ON PROPERTY**

It has been brought to Management's attention that residents may be feeding pigeons that are on the Corporation's property. As you may be aware pigeons tend to gather in large groups where they are likely to be feed.

We wish to advise that this practice is not permitted due to hygienic and aesthetic reasons. If the Corporation is required to clean balconies the cost can be charged against the unit.

Please do not feed the pigeons from your balcony and from any other area on the premise.

Thanking you in advance for your anticipated cooperation in this matter.

Please contact the Management office @ 905-839-1246 with any questions or concerns.

Registered Condominium Manager
