

NOTICE FOR RESIDENTS AT THE BAYSHORE

GARAGE PROJECT UPDATE

Please be advised SPG Engineering has provided management with an update to the Garage Project.

The waterproofing to the garage slab that is currently occurring at the front of the building will be completed by Friday August 3rd.

Tuesday August 7th mobilization will take place at the back of the building to address waterproofing of the garage slab.

There will be no access to the Back Entrance, Moving Room or Garbage Area.

Any deliveries or moves will need to be coordinated with the management office.

Garbage bins and recycling bins will be placed in the vicinity of the 3 parking spaces.

Shelley Hutchinson,

Registered Condominium Manager
Agent for and on behalf of DCC#19
