

**NOTICE FOR ALL RESIDENTS AT  
THE BAYSHORE**

**HEATING SYSTEM SCHEDULE**

Please be advised the Boilers for the Heating System  
are scheduled to function on  
**THURSDAY OCTOBER 11<sup>TH</sup>, 2018**

We remind residents to check their units heating  
components, (the expansion joint) for water leaks during  
this start up.

**THE CORPORATION WILL NOT ACCEPT RESPONSIBILITY FOR  
PROPERTY DAMAGE RESULTING FROM RESIDENTS NEGLIGENCE**

It is suggested residents place a container/towels under their heating  
component and check regularly throughout the heating season for any  
signs of water leaks. Management can supply 1 aluminium dish (1 per unit)  
to place under the expansion joint of the system.

**Water leaks must be reported immediately to the Superintendent  
Sylvan @ 905-424-5173**

Please remove air conditioners from windows to prevent heat loss and  
frosted pipes.
