

NOTICE FOR BAYSHORE RESIDENTS

UPDATE ON REMAINING GARAGE PROJECT ITEMS

Management has been provided the following update to the garage project (weather permitting) on **THURSDAY NOVEMBER 7TH, 2018**

- the concrete for the “New” accessibility ramp curb will be poured
- the top layer to the asphalt to the north and east of the building will be applied

Due to time constraints the front laneway will be properly completed in the Spring to address an active leak of an expansion joint
