

FIRE ALARM TESTING

Sage Electric will be on site
to conduct their Monthly Fire Alarm Test on:

Wednesday, November 14th, 2018
Between 9:00AM – 5:00PM

As part of the test, the building alarms may sound
intermittently.

We regret the inconvenience however, it is required under the
Fire Code to ensure your continued safety. Sage Technicians do
their best to conduct inspections in a quick and efficient manner
so as not to disturb residents for long periods of time.

It is the responsibility of residents to be alert and respond
appropriately in the event of actual fire emergencies.

If you have any questions please direct them to the
Management office 905-839-1246.
