

NOTICE FOR ALL RESIDENTS AT THE BAYSHORE

HEATING SYSTEM SCHEDULE

Due to the cooler temperatures at night
the Boilers for the Heating System
are scheduled to be turned off on
THURSDAY MAY 30th, 2019

We remind residents to check their units heating
components, (the expansion joint) for water leaks during
this shut down.

**THE CORPORATION WILL NOT ACCEPT RESPONSIBILITY FOR
PROPERTY DAMAGE RESULTING FROM RESIDENTS NEGLIGENCE**

It is suggested residents place a container/towels under their heating
component and check regularly throughout the year for any signs of water
leaks. Management can supply 1 aluminium dish (1 per unit) to place under
the expansion joint of the system.

**Water leaks must be reported immediately
to the Superintendent Sylvan @ 905-424-5173**
