

NOTICE FOR ALL RESIDENTS AT THE BAYSHORE

HEATING SYSTEM SCHEDULE

PLEASE BE ADVISED THE BOILERS FOR THE HEATING SYSTEM HAS BEEN SCHEDULED TO FUNCTION ON FRIDAY, OCTOBER 18th, 2019.

Usually when heat is turned on, some heating components, (the expansion joint) may leak. **Residents are reminded to place a container/towels under their heating component and check regularly throughout the heating season for any signs of a water leak.**

Your heating component is mostly found in the first bedroom, at the right or left of the Radiator. The "01" units is mostly found in the master bedroom.

Water leaks must be reported immediately to the Superintendent:

Sylvan @ 905-424-5173

As done in the past, residents can pick up 1 aluminum dish (1 per unit) from the office or from the superintendent.

It is very important to remove air conditioners from windows to prevent heat loss and frosted pipes.

PLEASE NOTE DCC 19, WILL NOT ACCEPT RESPONSIBILITY FOR PROPERTY DAMAGE RESULTING FROM RESIDENTS NEGLIGENCE.

Thank you,
Vanessa Lewis
Property Manager
