**TO ALL OWNERS/RESIDENTS OF 1210 RADOM STREET**  
**UPDATE TO COMMON AREA HALLWAYS**

Management is quite excited to announce that the Board of Directors has approved to have all hallways and suite door frames updated. Contractors will be on site starting Monday, June 8, 2020 to start the prepping for this project. They will be starting on the 19<sup>th</sup> floor and working towards the ground floor. This project is anticipated to take approximately 3 weeks to complete.

Please ensure that you are mindful of entering and exiting your door so that the contractors are not interrupted. Once we get to the point that your suite door frame will be painted, I will be advising you via writing as the suite door will need to remain open for a few hours to ensure quality drying.

We will be hiring a security company at that point to ensure the safety of all owners' suites.

Should you have any questions or concerns please do not hesitate to contact the management office at 905.839.1246 or via email at [vlewis@citysitespm.com](mailto:vlewis@citysitespm.com)

Looking forward to the feedback from all owners and residents.

Stay Safe & Healthy,

Vanessa Lewis
