TO ALL OWNERS/RESIDENTS OF 1210 RADOM STREET
PROPER DISPOSAL OF RECYCLING

Miller Waste (Recycling) was on site this morning and gave the corporation a final warning regarding the disposal of recycling.

NO BLUE RECYCLING BAGS are permitted to be placed in the recycling bins. This is considered contaminated and if we continue to use them, Miller Waste will no longer pick up the recycling. This will have a major effect on the corporation.

We are asking all owners and residents to please properly dispose of recycling in the labeled bins outside at the rear of the building without using any bags.

Any questions or concerns please do not hesitate to contact the management office at 905.839.1246.

Stay Safe & Healthy,

Vanessa Lewis
Property Manager
