TO ALL OWNERS/RESIDENTS OF 1210 RADOM STREET
PROPER DISPOSAL OF RECYCLING (FINAL WARNING)

We have been advised by the City of Pickering & Miller Waste that they will no longer pick up recycling due to plastic bags being placed in the recycling bins effective next week.

NO BAGS PERIOD are permitted to be placed in the recycling bins. This is considered contaminated.

We are asking all owners and residents to **PLEASE** properly dispose of recycling in the labeled bins outside at the rear of the building without using any bags. This is becoming a major issue which effects everyone in the corporation.

Any questions or concerns please do not hesitate to contact the management office at 905.839.1246.

Stay Safe & Healthy,

Vanessa Lewis
Property Manager
