& containers

Flattened  
cardboard

Paper

Metal cans  
& containers

Aluminum  
beverage  
cans

Glass bottles  
& jars

## NOT ACCEPTED IN RECYCLING BIN

Hazardous  
materials

Diapers

Tissues &  
paper towels

Textiles

Wood

Organics  
& food

Toys

Batteries

Where applicable, donate  
or take to a designated  
drop-off location.

Place your materials clean, dry and loose in  
your building's recycling bins.

# WHY RECYCLE?

---

Once recycled and processed, materials can be used again and can come back into your home as another product or packaging.
