

March 12, 2025

ATTENTION ALL OWNERS/RESIDENTS
HALLWAY RENOVATION

Please be advised that the Board of Directors have approved for hallways to be renovated. We will be prepping the walls and adding wallpaper to all the common area hallways from 19th floor to 1st floor. This project has an estimated time of 10 weeks for completion.

Contractors will be on site starting March 13, 2025. As we will be prepping the walls, you may experience dust and debris. Drop sheets will be placed on the floor and the contractor will ensure all floors are vacuumed at end of day. Please use caution when entering and exiting the hallways.

A sample board of the wallpaper will be displayed outside of the management office for your review.

We thank you in advance for your understanding. Any questions or concerns please contact the management office.

Regards,

CITY SITES PROPERTY MANAGEMENT INC. agents on behalf of DCC No. 19
