TO ALL OWNERS/RESIDENTS OF 1210 RADOM STREET
PIPE REPLACEMENT

Please be advised that our contractor, **Alliance Environmental & Marco Plumbing**, will be on site for two days — **February 25 and February 26, 2026**, between the hours of **8:30 AM and 5:00 PM** — to replace a drainpipe located in front of the **B1 elevator area**.

During this time, there will be **no access to the east side parking from the B1 level**, as scaffolding and protective tarping will be installed in the work area.

Residents may access the owner's garage via the **1st floor stairwell**. We kindly ask all residents to use caution when entering and exiting the **B1 and B2 levels** and to use the **west side access on B1 and B2** to reach their parking spaces.

Please note that **water service will not be interrupted** during the drainpipe replacement.

We appreciate your cooperation and understanding.

Thank you for your cooperation.
