

**May 19, 2026**

**NOTICE TO ALL OWNERS/RESIDENTS AT 1210 RADOM  
STREET**

**HEATING SYSTEM TURN OFF**

Please be advised that the building heating system will be turned off on **Thursday, May 21, 2026**, for the seasonal shutdown.

As there is no chiller or central air conditioning system in the building, residents installing window or portable A/C units are reminded to use caution and ensure units are installed safely and securely to prevent damage or injury.

Thank you for your cooperation.
