ATTENTION ALL OWNERS & RESIDENTS

GAS EQUIPMENT REPLACEMENT

Please be advised that **on Tuesday, July 21, 2026, from 8:00 a.m. to 8:00 p.m., Enbridge** will be replacing the building's old gas equipment with new equipment on the north side of the building.

During this time, the following services and access will be affected:

- **No hot water** will be available throughout the building.
- **The laundry room dryers will be unavailable**, and residents will not have access to the laundry room.
- **Vehicle access to the rear of the building may be restricted** while the work is in progress.
- **The moving room and the north side entrance will remain accessible** throughout the day.

We apologize for any inconvenience and appreciate your patience and cooperation while this important work is being completed.

Thank you for your understanding.
