Attention All Owner's /Residents
BIKE RACK CLEANING NOTICE

Please be advised that **all bike racks located in the visitor parking area will be cleaned on August 28, 2026.**

All residents who have bicycles secured to the bike racks are asked to **remove their bikes before August 28, 2026**, and place them in their designated parking stall. Bikes may be returned to the bike racks **in the afternoon once the power washing has been completed.**

IMPORTANT: Any bicycles that have not been removed by August 28, 2026, will have their locks cut and will be relocated to a secure storage area for **30 days**. Bicycles that are not claimed within 30 days will be **donated**.

If you have any questions or concerns, please contact the Management Office at **905-839-1246**.

Thank you for your cooperation.

Regards,
Vanessa Lewis
