

DCC 19 FIRE SPRINKLER FLUSH

DATE: Monday, October 19, 2026

TIME: 8:00 AM – 5:00 PM

Dear Residents,

Please be advised that **RediFire Prevention** will be onsite on **Monday, October 19, 2026, from 8:00 AM to 5:00 PM** to perform the fire sprinkler pipe flushing.

VEHICLE REMOVAL REQUIRED

All vehicles parked on **Level B2 (Lower Level), Parking Spaces 60 to 179**, must be removed from the underground parking garage before the scheduled work begins.

PLEASE REMOVE YOUR VEHICLE(S) BY 7:30 AM.

IMPORTANT REMINDERS

- **Parking Spaces:** All vehicles must be removed from the designated parking spaces for the duration of the work.
- **Personal Belongings:** Please ensure that your parking space is completely clear of all personal belongings. Any items left behind will be removed, and a chargeback fee will apply.
- **Vehicle Liability:** The Corporation will not be responsible or liable for any damage to vehicles left in visitor or resident parking areas during the sprinkler flushing.

ALTERNATIVE PARKING

Residents may use the following alternative parking options:

- **Radom Street:** Street parking is permitted, provided all applicable parking restrictions are followed. Please do not park within:
 - 1 metre of any driveway
 - 3 metres of any fire hydrant
 - 10 metres of any intersection
- **Visitor Parking:** Visitor parking spaces will also be available for resident use during this period.

We apologize for any inconvenience and appreciate your cooperation in ensuring this essential maintenance work is completed safely and efficiently.
